Curtis..

Let's discuss response. I have scheduling conflicts.

Thanks

Mark

Dear Mark:

During a phone conference that took place in March 2015 with Just Moms STL, Lois Gibbs, Mathy Stanislaus, and yourself, you indicated you would be willing to come to St. Louis to hear comments from the people of the community about their fears and concerns regarding the West Lake/Bridgeton Landfills. This invitation was also extended by Curtis Carey via an email from him to us.

Just Moms STL would like to take you up on this offer and invite you to our next Community hosted meeting on July 16, 2015 at 6:30pm at the International Union Operating Engineers at 3449 Hollenburt Dr, Bridgeton, Mo 63044.

We look forward to you accepting our invitation and speaking with you soon

Thanking you in advance for your prompt attention,

Just Moms STL
